RFP for E-Rate 2018 -2019

Terms of RFP

Bidding opens December 20, 2017

Bidding will close January 30, 2018

Contractor is responsible for all measurements of CAT5e/6/fiber, proper sizing, and configuration of equipment including testing and certification.

Contractor is responsible for providing in their proposal any products or services deemed necessary for the proper configuration of proposed products or services to the existing network and/or other incidental products that are required and deemed e-rate eligible. Contractor should provide to the district all costs of **eligible and ineligible equipment on separate listings**.

The award shall be made to the responsible bidder whose proposal answers and covers all requested products and services per RFP.

When proposal is examined and evaluated, we will select the most cost-effective bid. This means that the price of eligible goods and services will be the primary factor, but does not have to be the sole factor according to the scale below.

Weighting Scale	
Price of Eligible Goods and Services	35%
Experience with Dexter Consolidated Schools	25%
Maintenance timeliness and availability	15%
Cost of ineligible services	10%
Compatibility with existing network	5%
Pre Bid On Site Visit	5%
Installations by a Certified Engineer	5%
Total Weight	100%

Dexter Schools reserves the right to accept or reject any or all proposals or any portion of a proposal.

Upon funding of the project by USAC, Dexter Schools reserves the right to reject any portion of a funded project by completing an SLD Form 500.

If you have never worked with Dexter School District, we are requesting that you provide at least three references from other school districts with which you have recently worked on an e-rate project.

Associated pages contain three e-rate categories of service:

Page 2 – Category 1—Telecom and Internet Access

Page 3 – Category 2 – Internal Connections

Page 4 – Category 2 – Basic Maintenance

Page 5– Maintenance Equipment List

All relevant questions will be shared in the Question and Answer section of the district website: www.dexterdemon.org/

Request for E-Rate Proposal 2018-2019

Table with contact information: To: Contact Person: Diana Rivera, Phone: 575-734-5420 x363, Fax: 575-734-6318, Email: riverad@dexterdemons.org

Main table with columns: Category, Item, Description. Includes sections for Telecom, Internet Access, and a section for prospective service providers.

Contractor is responsible for all measurements of GAT5e/6/fiber and proper sizing and configuration of equipment. Contractor is responsible for providing in their proposal any products or services deemed necessary for the proper configuration of proposed products or services and/or other incidental products that are required and deemed e-rate eligible services.

Dexter Consolidated Schools (DCS) reserves the right to negotiate with any or all offerers who submit proposals determined to be acceptable or potentially acceptable. Negotiations may be held to: 1) promote understanding of the DCS requirements and offers proposal; 2) facilitate arriving at a contract that will be most advantageous to DCS.

The award shall be made to the responsible offerer or offerers whose proposal is most advantageous to the DCS, taking into consideration the following evaluation criteria: When your proposal is examined and evaluated we will select the most cost-effective bid. This means that the price should be the primary factor, but does not have to be the sole factor, in evaluating the bids.

		Technical Support –See Equipment List
PBX Maintenance	Telephone Maintenance	Maintain, repair or replace eligible telecommunication equipment and wiring
		Technical Support of phone system program. (Remote and onsite support)

Prospective service providers may bid on one or more of the services listed

Provide separate costing of E-rate eligible and any ineligible services

Contractor is responsible for all measurements of CAT5e/6/fiber and proper sizing and configuration of equipment. Contractor is responsible for providing in their proposal any products or services deemed necessary for the proper configuration of proposed products or services and/or other incidental products that are required and deemed e-rate eligible services.

Dexter Consolidated Schools (DCS) reserves the right to negotiate with any or all offerers who submit proposals determined to be acceptable or potentially acceptable. Negotiations may be held to: 1)promote understanding of the DCS requirements and offers proposal. 2) facilitate arriving at a contract that will be most advantageous to DCS. Offerers submitting proposals may be afforded an opportunity for discussion and revision of proposals. The Contents of any proposal shall not be disclosed so as to be available to competing offerers.

The award shall be made to the responsible offerer or offerers whose proposal is most advantageous to the DCS, taking into consideration the following evaluation criteria: When your proposal is examined and evaluated we will select the most cost-effective bid. This means that the price should be the primary factor, but does not have to be the sole factor, in evaluating the bids. Other relevant factors may include: prior experience, including past performance; personnel qualifications, including technical excellence; management capability, including schedule compliance; and environmental objectives.
