11	SBA	Science	March	SBA Science will determine student proficiency in science.	NMPED	Approximately 5 hours	Parent Report sent to parents in the fall

DEXTER HIGH SCHOOL ASSESSMENT PROGRAM

Grade	Assessment	Subject Assessed	Time Line	Purpose	Source of Requirement	Amount of time students will spend taking the assessment	Time and Format for disseminating results
11	EOC	Physical Education, Music, Art, Social Studies, Science, Drivers Education, Agriculture, Math, Language Arts	May for year long courses, December for semester only courses, semester 1 and May for semester only courses, semester 2.	Passing scores on New Mexico EoCs are indicative of a student being minimally proficient as described in the performance level descriptors and course alignment to curricular standards. Educators use EoC results to make curricular decisions that improve achievement outcomes for students. EoC results are also used to establish a measure of teacher effectiveness, to create common measures for course content and as an alternate demonstration of competency for graduation	NMPED	Approximately 90 minutes per test	Printed on transcripts
