

March 15, 2020

As a preventive measure to help combat the spread of the coronavirus, the Governor has ordered all NM schools close from March 16 until April 4. During this time, grab and go sack lunches (breakfast and lunch) will be available to all PreK-12 Dexter students in front of the High School Cafeteria, from 11am-1pm, Monday through Friday. There will be no athletic practices or school events during this time. While schools are closed, our custodial and maintenance staff will be diligently working to disinfect all our buildings so that we maintain a safe learning environment for our students. Except for the week of Spring Break, March 23-27, district administrators and building secretaries will be on site if you need to contact them. Also, the Central Office will also maintain regular operating hours during the closure.

Safety of our students, staff, and community is our greatest concern. As a reminder, please follow best practices of washing hands frequently with soap and hot water, cover mouth and nose when sneezing or coughing, avoid contact with those who are ill, avoid large gatherings, and practice social isolation as much as possible. We look forward to seeing everyone back in school on April 6!
